

IS THIRD AGE EDUCATION IN AGEING SOCIETY SOCIALLY ENAGAGED?

INTERNATIONAL CONFERENCE

LJUBLJANA, Tuesday 12th-Wednesday 13th June 2018

You are kindly invited to the International Conference on promoting socially engaged third age education.

Rationale

In ageing society the need to address and promote older adult education in relation to active ageing is crucial. Moreover, ageing society needs a vision of older adult education and needs to tackle an array of social and economic issues around us having in mind both mainstream and older people's perspective.

Objectives:

To promote European older people's education from the perspective of the P3AE project
To identify the contemporary needs of older people

To introduce the audience to the role of cinema in older people's socially engaged education

Where/ venue:

Slovenian Third Age University, Poljanska c. 6
