IS THIRD AGE EDUCATION IN AGEING SOCIETY SOCIALLY ENAGAGED?

INTERNATIONAL CONFERENCE

LJUBLJANA, Tuesday 12th June - Wednesday 13th June 2018

You are kindly invited to the International Conference on promoting socially engaged third age education.

Rationale

In ageing society there is a crucial need to address and promote older adult education in relation to active ageing. Moreover, ageing society needs a vision of older adult education and needs to tackle an array of social and economic issues around us having in mind both mainstream and older people's perspective.

Objectives:

To promote European older people's education from the perspective of the P3AE project.

To identify the contemporary needs of older people.

To introduce the audience to the role of cinema in older people's socially engaged education.

Where/venue:

Slovenian Third Age University, Poljanska 6, Ljubljana
